Dear Jaden,

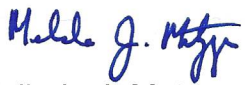

Thank you for sharing your Statistical analysis on transit spending in Chicago. I agree with your conclusion that transit spurs on economic growth.

I appreciate your interest in transportation, and I hope that your future will include consideration in working in transit. It is a great career choice.

I will share your report with the Pace analytical team.

Wishing you a great senior year.

Sincerely,

  
Melinda J. Metzger

JADEN,  
THANKS JADEN FOR  
YOUR GOOD WORK.
