

## Reference Letter

To Whomsoever It May Concern,

This is to confirm that **Jaden Souza** worked on a project for **Netsynk**. He wrote scripts that searched for jobs with certain keywords and shared a zip folder containing the script along with the output. Through this work, he supported our recruitment process by helping us source candidates more efficiently.

We appreciate his efforts and thank him for the same, wishing him the very best in his future endeavors.

Sincerely,

**Chandni Singh**
